LINE PLAN FLOOR MARKING TAPE

MARKING TAPE WITH UNMATCHED RESISTANCE

LINE PLAN surpasses all other floor marking tapes with unmatched abrasion resistance. In addition, our marking tape has beveled edges. This makes it stronger than other products and extremely well-suited for high-traffic areas. You can also easily apply our floor marking tape yourself. The strong self-adhesive backing allows it to be applied to various surfaces, including concrete, steel, smooth ceramic tiles and concrete floors with epoxy coatings.
