OBSTACLES AND DIRECTING TRAFFIC**

SAFETY GUARD

PORTABLE SAFETY CONE

The portable FLEX IMPACT® SAFETY GUARD is perfect for marking obstacles and directing traffic. Featuring a height of 69 inches and bright yellow color, it alerts workers and drivers of vehicles such as forklifts, trucks, and bulldozers to hazards or obstacles well in advance. It helps maintain safe traffic flow in areas where conditions change frequently and quickly.

TYPICAL ENVIRONMENTS

- Loading docks
- Transport & logistics centers
- Warehouses and storage facilities
- Distribution centers
- Areas with vehicle traffic
- Areas requiring special attention
- Parking facilities

BUILT-IN LIFTING RING

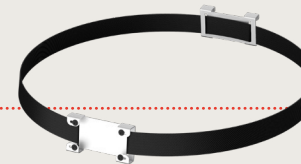

For quick and easy setup

HIGHLY VISIBLE
Even from a truck cabin

TWO-SIDED 360° SIGNAGE

Yellow-black stripes or arrows to guide traffic

69 in

CONVENIENT HAND GRIPS

To manually move the GUARD

FILL THE GUARD WITH SAND OR WATER

For added stability

SAFETY TOTEMS

EXTRA LARGE PORTABLE SAFETY TOTEM

The FLEX IMPACT® SAFETY TOTEM offers effective protection by marking obstacles in workplaces where forklifts, trucks, bulldozers, or other vehicles are maneuvering. Featuring a height of 94.5 inches and bright yellow color, the SAFETY TOTEM has a clear signaling function, alerting drivers and workers to potential hazards or obstacles, even from a truck cab.

The TOTEM includes a large front panel for displaying messages. Large black arrows indicate the correct side to pass. For added stability, weigh down the TOTEM with sand or water and move it easily using the special forklift recesses.
